

Junior Class Y4 - Spring 1

RE

We will be learning about: the Old Testament and how it was compiled and the reasons behind it.

PSHE

We will be learning about media influence online - choosing what to do online and deciding who to trust.

In PE

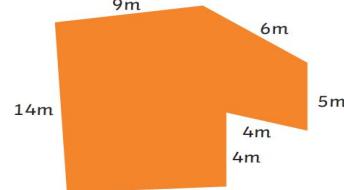

On Tuesdays, pupils should come to school in their PE kit. We will be playing invasion games in the hall.

Communication Topic

God who at various times and in different ways spoke in times past to the fathers by the prophets, has in these last days spoken to us by his Son, Hebrews 1:1

In **Maths**, With Mrs Clark we will be learning about multiplication and division- practising our times tables facts and also moving onto 2 digit by 1 digit multiplication (eg. 23×5) and short division (eg. $55 \div 5$)

With Mr Ford we will be learning about Length & Perimeter - different measurements for length, and the perimeter of a variety of shapes.

$$14 + 9 + 6 + 5 + 4 + 4 + 9 = 51\text{m}$$

Perimeter = 51m

English

In our SPAG lessons we will be learning how to use dictionaries and reference books, then learning about standard English, relative clauses and modal verbs.

In writing with Mrs Clark, we will be learning about news reporting, talking about truth, facts and opinions, and writing a news article about the pyramid scene from the beginning of the film Despicable Me.

In creative writing with Mr Ford we will be focussing on story-writing: fantasy, adventure & mystery.

In Topic we will be learning about the ancient Egyptians and how they used hieroglyphics to communicate. This half term we begin by learning about Egyptian geography, society, pharaohs, religion and pyramids.

We will also be reading the story of Moses in the Bible.

Junior Class Y4 - Spring 1

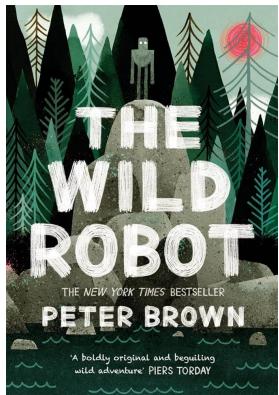

Français

Bonjour Y4, we will be continuing with talking about siblings and family, and then learn words to describe the classroom.

In Guided Reading we will be finishing the Wild Robot by Peter Brown

**Gracious words are like a honeycomb,
sweetness to the soul and health to the body. Prov 16:24**

In **Science** with Mrs Bhangra, we will We will begin by learning about the structure and function of the human ear, the physics of sound, pitch, frequency, amplitude and timbre. We will look at how animals use sound, and some medical applications of sound waves. We'll also look at the role of blood in transporting different substances throughout the body.

DT

The construction group will be making a balloon powered car

The sewing group will making a creative project related to the topic.

The cooking group will be gaining confidence with kitchen skills by cooking a variety of sweet and savoury dishes.

In **Computing** the Y4s will be learning about microbits, which are small, pocket-sized, programmable computers designed by the BBC to teach kids and beginners coding and computer science in a fun, hands-on way.

Music

The Y4s will be learning the clarinet with Miss Fountain from the music hub.

Art
This term our focus will be Considering the ancient civilisation of Egypt's means of communicating through imagery and apply that to our own experience. Then to put this into practice by producing a class display retelling the Biblical Narrative of the life of Moses.
