

# Year 2 & 3 Summer Term

## People Topic

### Art

Children will be learning how to draw facial features to enable them to create a self-portrait and portraits in the style of a famous artist, e.g. Picasso.

### English

This term we are introducing the topic of diversity and gaining an understanding of prejudice and discrimination. We are creating our own picture book as we look at various aspects of this topic.

On a Friday morning we will be doing diary writing.

### Topic

We will start with thinking about who God says we are, research our own family history then consider why some people are famous. We'll look at Samuel Pepys & the Great Fire of London and the Queen's Jubilee. The 2<sup>nd</sup> half term we will look at the history of nursing including Florence Nightingale and Mary Seacole.

### Science

We will be looking at the human body. We will begin with the skeleton and then go on to learn about our organs, human variation and growth and development.

In the 2<sup>nd</sup> half term, we will learn about how our muscles work and how to keep our bodies healthy through exercise and diet choices/ nutrition.

### RE

In the first half term we are learning about the key features of different religious buildings.

In the 2<sup>nd</sup> half term, we will be looking at the leaders of different religious faiths.

### PE

This term we are playing rounders and touch rugby

### PSHE

1st half-term we are considering our bodies and the choices we can make – how to make safe choices and what to do if we have a concern. 2<sup>nd</sup> half-term we are looking at team work – how to have successful team work and what to do if conflicts occurs.

# Year 2 & 3 Summer Term

I will praise You, for I am fearfully and wonderfully made. Psalm 139 v 14

## French

We are learning the vocabulary for physical descriptions e.g. hair, eyes and body parts. Also how to describe which part of you is hurting and items of clothing.

## Maths

On Monday to Wednesday we will be doing a unit of work on measurement and then revising and consolidating areas in number and calculations work.

On a Thursday we will be working on time in the 1<sup>st</sup> half-term and money in the second half.

## Music

We are learning about famous composers throughout history and listening to pieces of music they have written.

Things to work on at home this term:

Reading

Spellings  
(Tested on Fridays)

Recorder  
(Lesson on Tuesdays)

Telling the time  
Using money

Times tables

Family history/ family tree

## Visitors/ Trips

Y3's (& 4s) – Fire Safety talk.

Science trip to Eureka with Rec/Y1 class (details to follow!)

Visit from a present day nurse to talk about their work and experience.

## Computing

In the 1<sup>st</sup> half term we will be doing a computer painting unit. We will be reproducing the painting styles of great artists using computer programs. In the 2nd half-term we will be working on word-processing skills.
