Bethany School is a small, friendly Christian School using a distinctively biblical approach to teaching and learning. We actively promote the involvement of parents with teachers in every aspect of school life. Together, we continue to develop a Christian perspective on the curriculum taught to our children.

*

We are looking for an enthusiastic French teacher, with an interest in Christian education able to teach from year 3 up to year 11. The successful candidate will be responsible for teaching French across the school from its introduction in year 3 up to GCSE level (AQA specification).

*

It is a genuine and determining occupational requirement that the successful applicant is a committed Christian and so we will want to hear your own testimony about being a Christian. You will need to be able to tell us about your experience in working with children and young people, and how you hope to teach from a Christian world view, whilst preparing our pupils for their GCSE exams. You will work alongside a supportive team of parents, teachers and helpers.

Bethany School is committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and undergo appropriate criminal record and DBS checks. If you have a disability and require reasonable adjustments that will enable you to apply for this position, please let us know.
