Bethany is a small, friendly Christian School using a distinctively biblical approach to teaching and learning. We actively promote the involvement of parents with teachers in every aspect of school life. Together, we continue to develop a Christian perspective on the curriculum taught to our children.

*

We are looking for an enthusiastic, qualified primary teacher, able to teach a mixed class of Year 2 - 3 children as a job share. It is a genuine and determining occupational requirement that the successful applicant is a committed Christian and so we will want to hear your own testimony about being a Christian. You will need to be able to tell us about your experience in working with children in Key stage 1 and 2, and how you hope to teach from a Christian world view. As well as the other Y2-3 teacher, you will work alongside a supportive team of parents, teachers and helpers as an integral part of the staff team, taking on whole school tasks such as assemblies, break duties and attending meetings. The ability to provide a stimulating classroom environment, including display, is an important element of the post.

Bethany School is committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and undergo appropriate criminal record and DBS checks. If you have a disability and require reasonable adjustments that will enable you to apply for this position, please let us know.
